

Krewe of Mullet Mates offer 'Cordone's Sizzlin' 7s'

Submitted

The Krewe of Mullet Mates was "floundered" in 2001, and it gave its first parade that same year. This motley krewe has grown in membership, floats and spectators every year since.

KOMM will mark its seventh year with the parade theme "Sizzlin' 7s," which will roll out Feb. 17, 2 p.m.

The route will begin at Mullet Point Park where the floats will roll south on County Road One, ending at Pelican Point, Weeks Bay. Each float is unique in that KOMM members themselves design and produce their own floats.

The 2007 offering will also be a tribute to the Mississippi Gulf Coast where the casino boats were destroyed during

Hurricane Katrina. The Krewe of Mullet Mates' mission is to further promote having fun and benefiting the community. KOMM strives to provide a safe and affordable family activity.

As usual, KOMM has plenty of surprises in the parade. This year, it will honor U.S. troops by having a Baldwin County inlisted man, home from the battlefield, serve as Grand Marshal.

Last but certainly not least, Queen Cheryl and King Lee will preside over the parade route and the ball afterward.

Come early to find a great place to park on County Road One. Please be considerate of the residents on the road by not parking in yards or where areas may be roped off.
